

Superior Court of California, County of Yuba
Facilitator/Self Help Attorney Supplemental Questionnaire

Completion of this questionnaire is a required part of the selection process. Your responses must be submitted with your application packet by the final filing date. Applicants who do not complete this supplemental questionnaire will be eliminated from the selection process.

On one or more separate sheets of paper, answer each of the following questions. Restate the question before each answer and limit your response to one page or less per question.

Please include the following information in your supplemental questionnaire:

- a. Name and California State Bar Number
 - b. Year admitted to practice in California
 - c. Number of consecutive years of practice in California
1. Describe your qualifications specifically related to the position of Family Law Facilitator as follows:
 - a. Educational background including specific coursework related to family law.
 - b. Experience handling family law cases including determinations regarding parentage and child support.
 - c. Experience providing pro bono services and/or performing public interest work.
 - d. Experience in mediation
 2. Describe your experience as a practicing attorney in probate and general civil.
 3. Describe your knowledge and experience in providing legal services to self-represented litigants.
 4. Describe the experience you have working with community-based non-profits, courts or in public interest legal offices.
 5. Describe your experience, education and training in the area of domestic violence cases.
 6. Please give examples of programs, policies and procedures you have implemented and describe how these changes benefited your organization(s).
 7. Describe your experience managing a budget or a grant in your professional career. Detail the extent of your responsibilities including the creation of the budget, grant application and ongoing management of either or both.
